6) Old Business:

A. Council badges ordered and received. Terri's name was misspelled – Susan Elaine will fix.

7) New Business:

A. Funding and having New Dancer dances during 2022-2023 schedule. Do we need to continue? We have several added special dances this year. Should Council sponsor given the fact that this is a convention year and it has been mentioned that we need to refrain from too much spending at this time. It is important that we have necessary funds to cover expenses for the convention in these uncertain times. (Need discussion and motion). We had a lot of discussion on Summer Fun Dances and New Dancers dances. No decision was made at this time.
